MNA + BARRY REMEMBERS

The branch, in conjunction with the Barry Remembers Appeal, is trying to raise a sufficient amount to have a leather bound copy of the Roll of Honour to Barry Merchant Navy loss of life in the First and Second World Wars, which will be displayed in a glass case, approximate cost £1,500.

The Roll of Honour will be on display in the Hall of Memory, but will consist purely of those who served in the Merchant Navy, unlike the wall listings that display losses from all of the services.

The Barry Remembers Appeal is trying to raise £70,000 to refurbish the Hall of Memory in the Memorial Hall and the Cenotaph.

It is hoped that this information will be appreciated by all Barriars who are now ex-pats, whether overseas or within the UK, and of course all current Barry residents, particularly members of the Merchant Navy Association (Wales), Barry Branch. Should others be able to offer assistance, this would obviously also be greatly received.
